

# Downloading MyStorPal

The image shows the MyStorPal login interface. At the top is the MyStorPal logo, which consists of a stylized server rack icon above the text 'MyStorPal™'. Below the logo are two input fields for 'Email Address' and 'Password'. The 'Email Address' field is a rounded rectangle with the text 'Email Address' inside. The 'Password' field is a rounded rectangle with the text 'Password' and a small eye icon on the right. Below the password field is a green checkbox labeled 'Remember me' and a link 'Forgot password?'. A large green button labeled 'Sign In' is positioned below the input fields. At the bottom of the screen, there is a link 'Don't have an account? Sign Up'.

- Find MyStorPal by XPS Solutions in the iOS App Store or Google Play Store and Select/Install, then Open. MyStorPal is configured to work best with factory size settings on mobile phones.
- Click the Sign Up link at the bottom of the screen.

# Link to your account

<

**LINK ACCOUNT**

Let's link your account with Your Self Storage

**Registered Tenant Information**

Phone Number

Phone Number

**Link Storage Account**

Not You or Having Trouble? [Try Again](#)

Enter the phone number on your account, then click “Link Storage Account”.

\*Pro tip for Android users - If you don't see the green Link Storage Account button, you may need to click on the white space or press Done on your keypad to close it.

\*For iOS users, click in the “white space” to close your keypad)

Verify that the units listed belong to you, then click “Next – Verify Units”.

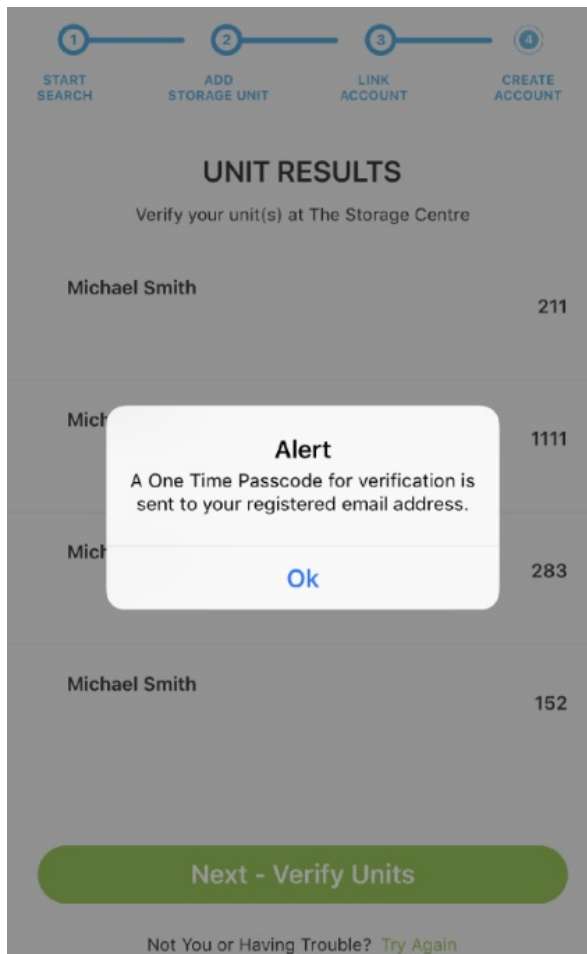

# One Time Passcode

An Email will automatically sent to the Email address on file with your storage facility with your one-time passcode to access MyStorPal.

**\*\*NOTE** – if you don't receive an Email very quickly, please check your Junk or Spam folder.

- Or -

If you need to know what Email address you have on file, please contact your facility directly.

Subject: MyStorPal Email Verification

## Email Verification

The MyStorPal mobile application has sent your OTP (One Time Password), it is 5HH5. Please input this code as requested in the MyStorPal app verification step.

# That's It!

Now just create your login by entering your Email address and a password that you'll easily remember.

Confirm the password by entering it a second time.

Then enter the one-time password sent to your Email and click "Create Account".
